

**PARTERA STOOL**

EWE Studio stool is made of Monterrey marble. The stool form becomes an expression of the hand carved techniques and its materials. It combines a circular pristine base with inner surface being rough and a wide curved tribal top. The works are carved out from one single piece of either wood or stone, leaving no joints.

The stools are sculptural, breathing a minimalism that quietly stirs the soul.

Collection	Sincretismo
Product	Partera Stool
Measurements	L90 x W30 x H45 cm L35 <sup>7</sup> / <sub>16</sub> x W11 <sup>1</sup> / <sub>16</sub> x H17 <sup>2</sup> / <sub>32</sub> in
Weight (Kg)	15
Materials	Oak Wood
Finishes	Burned
Edition	Limited Edition of 15 + 2 AP
Lead Time	12 - 14 weeks
